MEMORANDUM FOR THE RECORD

SUBJECT: Alfred W. McCoy - THE POLITICS OF HEROIN
IN SOUTHEAST ASIA

This afternoon Mr. B. Brooks Thomas of Harper & Row called to assure me that the publishing company had not released the correspondence between this Agency and Harper & Row on Mr. McCoy's book which resulted in the article in today's WASHINGTON POST. He was most apologetic about the matter but said they did not have 100 per cent control over Mr. McCoy.
